PASSION FOR ITALY RECOMMENDATION

Decorì nel Tempo di Silvia e David Matassini, Viale G. Matteotti 1, Radda in Chianti

Tel. e Fax (+39 0577) 738158

The workshop "Decorì NELTEMPO" originated in 1992 from the idea of Silvia and David, who wanted to create a workshop with the same characteristic as an ancient "bottega" of the Renaissance, where materials, colours, wood, metal and cloth are skilfully manufactured to produce special creations. Time after time, also thanks to the customers' request, their production has increased and varied; now they offer wall paintings, painted furniture, tables, lamps, ceramics, embroidered cloth and other works, all strictly hand-made and created with passion and skill.
